### #2 Business Arising

Andree

1. Taps in student toilets are now fixed.
  2. Instruments will be ordered this week, after checking with tutors from the school of music about best instruments to order.
- 

### #3 Correspondence

Andree

No correspondence.  
Some emails. Mostly just information about useful websites etc. Andree is happy to forward these to anyone who is interested.  
Andree has drafted a letter to Steph Cooke about our school need for improved internet connection - urgent upgrade of cabling. We discussed the draft and any other points we could add to our letter. Andree will complete the draft and email it to P and C members and once it is finalised she will deliver it to Stephanie's office.

### #5 Principal's Report

Edwina

Lots of upgrades were carried out in the holidays.  
Demodrive St bus stop upgrades have been approved.  
Fitness equipment safety upgrades have been completed with the Australian standard mulch.  
Taps have been fixed , soap is in the toilets.  
Teaching and Learning: great professional learning - Wendy, Mandy, and Karina went to a Course this week. We are using the continuum and are heading towards the introduction of progressions next year. It uses more visible learning. We will be networking more with Young North Public School. Our survey feedback is completed and we are reviewing how best to conduct the survey this year and gain more parents feedback about our school.  
Early stage 1 and stage 1 teachers are having a readers sorting day this Saturday in preparation for new readers that are coming from P and C.  
Edwina is awaiting on quotes for replacing/upgrading wooden playground seats to aluminium.

---

### #6 P and C Activities

Andree

Canteen - going well.  
Fundraisers - we will discuss the idea of a trivia night more at the next meeting.  
Meal deal - possibly 12th of June?
